What We Believe

What Harvest Prayer Ministries Believes

Harvest Prayer Ministries, founded in 1993 by Dave (1953-2022) and Kim Butts, is a non-denominational prayer ministry which works across denominational lines to help local churches become Houses of Prayer for all nations (Isaiah 56:7, Mark 11:17). As such, Harvest Prayer Ministries respects the denominational distinctives of the Body of Christ while seeking the unity of the Body of Christ. The Bible is our foundation and our ministry is firmly planted on the truth of God's Word.

Lausanne Covenant

In terms of our doctrinal positions, we recognize that no human document or creed can fully sum up the entire counsel of scripture. Harvest Prayer Ministries joins thousands of Christian leaders and Christian Organizations in subscribing to the Lausanne Covenant as an outline of biblical unity. The history of the Lausanne Committee on World Evangelization and the Lausanne Covenant may be found at [Lausanne.org.](https://www.lausanne.org/)
