Pray America

A ministry of Harvest Prayer Ministries

Our Dream: A Nation Turned to God

We believe prayer has the power to change our nation and our lives. Together, our community of over three million Americans

is praying for revival in every sphere of American society. We believe that prayer shapes our capitol, the economy, entertainment, education and our families. Our vision is to usher in revival in America!

Prayer brings the body of Christ together. In this community of prayer we celebrate our differences but unite with one heart for God's kingdom to rule in our lives. We consider every voice valuable! In our [Facebook Community](#) you can speak your heart, ask for prayer and pray for others.

We will regularly feature edited prayer requests from our community in special posts on Facebook and Instagram. **If you make a prayer request in a comment or on the Community Wall, you give us the option to make a post of your request and to select a suitable profile picture.** Due to the size of our community, we cannot republish every request, so we depend upon you to write out your prayers for other people as you see their need.

Pray America was founded in 2012 and came under the care and direction of Harvest Prayer Ministries in 2019. From the beginning, we desired Pray America to be about bringing people and organizations together in unity. Harvest Prayer Ministry's cooperation and partnership with [America's National Prayer Committee](#), the [National Day of Prayer](#), the [Global Day of Prayer](#), [OneCry](#), the [International Prayer Council](#) and the Denominational Prayer Leaders Network forms bonds with Christians worldwide.
